

Application for partner universities in Europe – Erasmus+ of the Institute of Geophysics and Meteorology

Application documents

- Letter of motivation
(incl. also a list of suitable courses which you plan to attend)
- Application form
- Curriculum vitae in tabular form
- Language certificate
(also high school diploma possible if applicable)
- Transcript of records (bachelor, master)
- Bachelor certificate (master students only)
- Certificates of other internships or stays abroad, training, language courses, etc. if applicable

The documents can be handed in in German as well. In case that the study program of the partner university is not in German, the letter of motivation has to be written in English. The (English) language certificate is not needed for students who are already enrolled in an English master program.

All documents need to be provided in **one single pdf document** and sent to Dr. Kerstin Ebell (kerstin.ebell[at]uni-koeln.de).
