

3rd Circular of the 25th Schmucker-Weidelt-Colloquium on deep electromagnetic sounding

(25th Schmucker-Weidelt-Kolloquium für Elektromagnetische Tiefenforschung)

Dear Colleagues,

further below and attached are some important information for the **25th Schmucker-Weidelt-Colloquium, which will be held from September 23-27, 2013** in “Josef Gockeln Haus” in Kirchhundem Rahrbach.

Schedule

Please find the EMTF-schedule in the attachment.

Orals and posters

Please check the attached oral- and/or poster-schedule and please inform us timely if something is wrong.

Time slot for orals is 15+5 min (15 min talk, 5 min discussion). Please provide your talk on a memory-stick.

Posters may either be in **A0 Portrait or Landscape** format. The posters can be fixed on Monday evening.

Each poster will be introduced by a short oral presentation (max. 2 min) before the poster-session.

Please provide the presentation on a memory-stick.

Journey Details

Participants who are traveling by Deutsche Bahn: the nearby train station is **Welschen-Ennest, 57399**. A shuttle service will be provided for all those arriving there.

The instructions on ‘how to reach’ can be found here: www.josef-gockeln-haus.de/anreise

Shuttle-service

Please inform to emtf2013@geo.uni-koeln.de before the EMTF if you require a Shuttle and give your expected time of arrival at the train-ttation.

EMTF walk:

Find attached a map, some pictures and a *.kml file of the EMTF-walking tour. The tour is approx. 8 km and we will make a break for cold drinks, coffee/Tea and cake.

Leisure:

The Josef Gockeln Haus has some nice facilities:

- Bowling alley (Kegelbahn) will be open for all in the evenings
- Table-tennis, table-soccer, soccer playground, beach volleyball
- Swimming-pool (more suitable for children)

Urgent contact:

In urgent cases please contact Marcus Gurk on the mobile phone: 0049 163 1621 150

All information will be announced additionally on our web-page www.geomet.uni-koeln.de/emtf2013.

I look forward to seeing you in September.

With best regards,

Bülent Tezkan
